

EXPLORE CAREER IMMERSION PROGRAMS

2016 EXPLORE Student Application

In cities across the county young people often go to college and never return to live and work in the areas where they grew up. Diverse, young adults are looking for opportunities in areas that show promise to people who are like them. St. Louis should be that place. Nine companies and organizations in the St. Louis region partner with DAP for the EXPLORE programs because they want to help make the region more inclusive. In order to create a workforce that is innovative and attracts brilliant minds, it starts with engaging high school students of color to the careers and fields that St. Louis has to offer. In this program, students become engaged and excited about the many different careers that are within the field they are exploring. EXPLORE Program partners are enthused to work with the students and want students to make connections for future internship opportunities. These possibilities begin for these students by walking through the door on the day of the first session.

Preferred Student Qualifications:

- 3.0 or higher grade point average OR in the top 10% of your class
- 9th, 10th, 11th, or 12th grade
- Interest in career fields relevant to our EXPLORE Programs
- Must be a student of color (Alaska Native, African American, Asian, Bi/Multi-racial, Latino, Middle-Eastern, Native American, Pacific Islander, etc.)
- Must have parent consent and an arrangement for a guardian/adult to drive student to and from program
- **Must bring a form of photo ID to EACH program session**

Cost:

This is a free program; there is no cost to students participating. We simply ask that schools and students take responsibility in coordinating transportation to and from the program sessions. Transportation can be provided in special circumstances. All sessions are from 9 a.m. to 12:30 p.m.

Benefits of Being Accepted Into Program:

- Students can put on their college resumes: EXPLORE Career Immersion Program
- Students have direct opportunities to network and connect with professional mentors
- Students will learn about career fields and what will be required of them for future hire /internship
- Students can develop connections to business departments to discuss future employment opportunities depending on requirements and experience
- Students will understand why diversity and inclusion is important to the workplace
- Free prizes & giveaways
- Breakfast & lunch provided at all sessions
